COMPANY PROFILE

STRUCTURE

In 2000 **Greenvalley Electricals Contractors** was registered as a close corporation. Our workforce is completely HDI and we are proud to say that all our staff has been trained during their employment with us, coming from backgrounds with no qualification at all.

SERVICES:

We offer the following services:

- Live work up 33KV – Gloving Method
- Minor/Major Construction, Maintenance and Refurbishment up to 132KV
- Substation Construction
- Bush Clearing
- Meter Reading
- Electrical Infrastructure development

The live work is a new service that we are offering to our clients, we have been adequately trained and tested by Eskom with all the relevant documentation and equipment.
